

A Kingdom Divided - Mark 3:24-26

Quomodo potest Satanas Satanam ejicere?

How can Satan cast out Satan?

Et si regnum in se dividatur,

And if a kingdom be divided against itself,

non potest regnum illud stare.

that kingdom cannot stand.

Et si domus super semetipsam dispertiatur,

And if a house be divided against itself,

non potest domus illa stare.

that house cannot stand.
